## Financial Policy Agreement

As a patient at Grey Physical Therapy your insurance coverage is verified to determine available benefits. Even though this information is reliable, it is not guaranteed. You are responsible for knowing the benefits, limitations, and/or restrictions that your policy may stipulate.

We base our information regarding your insurance coverage on what we are given by your insurance company when we verify your coverage. The exact determination of benefits occurs at the time your insurance company pays the claim.

We must emphasize that as medical providers, our relationship is with you. While the filing of insurance claims is a service we extend to our patients, it is your responsibility to see that your charges are paid in full. Any known deductions including deductibles, copays, co-insurance, or non-covered services/supplies are due at the time of service. Accounts unpaid are considered delinquent. Delinquent accounts will be referred to our collection agency.

I understand and agree that I am financially/legally responsible for full payment of my bill and that any failure of my insurance carrier to pay for all or any part of my bill does not constitute a reason for me not to pay. I understand that my insurance policy is a contract between myself and my insurance carrier, and that Grey Physical Therapy is not responsible for settling disputed claims. Grey Physical Therapy will provide the necessary information regarding my treatment in order to facilitate payment of your claims.

In addition, I have been advised that my failure and/or denial to provide accurate information prior to, or upon my initial visit constitutes my classification as a self paying uninsured cash patient. This classification will cause me to forfeit and/or relinquish all subsequent discounts, agreements, adjustments, benefits and arrangements that Grey Physical Therapy may have contractually accepted with any or all third party insurance carriers. This will supersede and replace any prior obligation that Grey Physical Therapy may have.

In the unlikely event that your insurance carrier determines that care provided to you is "not medically necessary", you hereby have been provided prior notice that you are fully responsible for any charges not paid by your insurance carrier based on their decision.

I also understand that Grey Physical Therapy requires **24 hours** notice for cancellation of scheduled appointments and I may be financially responsible (not my insurance carrier) for missed appointments (no shows) in the form of a \$25 per visit fee. I understand the Grey Physical Therapy Financial Policy and my responsibility for my account.
